### ICF MANUFACTURER

#### BuildBlock Building Systems

Brian Corder  
9705 N. Broadway Extension, Suite 200  
Oklahoma City, OK 73114  
info@buildblock.com  
866-222-2575 • Fax: 831-597-0792  
buildblock.com

BuildBlock Building Systems produces BuildBlock ICF, BuildLock Knockdown ICF, BuildRadius ICF, BuildBuck, BuildDeck, GlobalBlock, BuildShield Termite & Firestop, and accessories in 14 locations across North America. The Build-Block Product Family is the strongest and most install friendly residential and commercial ICF system for creating energy efficient homes and buildings. See ad on inside front cover.

#### Fox Blocks

Michael Kennaw  
6110 Abbott Dr. • Omaha, NE 68110  
contact@foxblocks.com  
877-369-2562 • Fax: 402-408-5099  
foxblocks.com

Fox Blocks Insulating Concrete Form Wall Systems provide an extremely energy efficient building envelope offering superior strength, sound, air quality, and well insulated walls.

#### IntegraSpec ICF

Shelly Faye  
11U-735 Arlington Park Place  
Kingston, Ontario K7M 8M8  
info@integraspec.com  
613-634-1319 • Fax: 613-634-2291  
integraspec.com

IntegraSpec ICF is an award-winning, energy-efficient, patent-protected, panelized insulating concrete form wall system utilized in commercial, industrial, residential and agricultural construction. Products: IntegraSpec ICF, Santa Fe bucks and headers, Integra R-Boost, IntegraFB.

#### Logix ICF Ltd.

P.O. Box 162  
Port Hope, Ontario L1A 1A1  
888-415-6449  
logixICF.com

Logix brings it all together - an extensive precision-engineered ICF product line together with comprehensive technical support and innovative whole building and marketing solutions. Logix is the ICF Solutions Company. Helping you Build Anything Better.

#### NUDURA Inc.

Patti-Jean Robbie  
Director of Sales  
27 Hooper Drive, Unit #10 • Barrie, ON L4N 9S3  
pjrobbie@nudura.com  
705-726-9499 • Fax: 705-726-2110  
nudura.com

Products: NUDURA ICF Series, One Series, Plus Series  
NUDURA Insulated Concrete Forms provide a building envelope that maximizes energy efficiency, strength, sound and fire resistance. NUDURA's 6 in 1 building step allows you to build faster, more efficiently: a proven alternative to traditional building methods. See ad on back cover.

#### Quad-Lock Building Systems, Ltd.

quadlock.com

#### Superform Products Ltd.

Jason Unruh  
Box 2696  
Pincher Creek, Alberta T0K 1W0  
admin@superformicf.ca  
jason@superformicf.ca  
403-627-3555 • Fax: 403-627-3553  
superformicf.ca

Superform strives to provide superior products to ensure the longevity of building construction. The Superform System is intended to replace conventionally poured concrete foundation walls in residential and commercial construction. See ad on page 9.

**Quality Magnetite, LLC**

Bud May

2620 Rt. 52 South - PO Box 437

Kenova, WV 25530

bmay@qmag.com

304-453-2222 • Fax: 304-453-2260

QMag.com

Quality Magnetite offers industry leading products for Concrete applications. As an additive in the mix, Magnetite will increase the density to provide shielding from X-rays, and also interference from RF frequencies.

As a cost savings, by adding Magnetite, wall thickness can be reduced and still maintain the safety factor for shielding projects.

When added to concrete, Magnetite will increase the thermal factor to provide greater Heat retention and decrease energy cost.

**SUPERform**  
Forming a Greener Future... One Block at a Time!  
[www.superformicf.ca](http://www.superformicf.ca) / 403-627-3555

Superform ICF blocks will give you the strongest wall available.

- Ties every 6"
- Very strong corner tie
- Cut lines every 1"
- 2 tight interlocking knobs every 1"
- Horizontal rebar every 12"

You will love the CONFIDENCE you feel when you work with Superform.

**NOT ALL BLOCKS ARE CREATED EQUAL**

**NOT ALL BUILDINGS ARE CREATED EQUAL**

The bitterness of poor quality lingers long after the sweetness of cheap price is forgotten.  
Now accepting new representatives.

**Quality Magnetite, LLC**  
*Designing Quality Solutions for the Future*

- Heavy Density Aggregates
- Concrete Additive for Radiation Shielding
- Concrete Additive for Heat Retention
- Additives for Pigments & Dyes
